Objective

As a dedicated and motivated developer with a strong passion for continuous learning and problem-solving, my objective is to contribute my programming skills and expertise to a dynamic team where I can actively engage in challenging projects, collaborate with like-minded professionals, and further enhance my technical capabilities.

Educational Qualification:

Name of Exam	Name of College	Board/University	Class / %	Year of Passing
S.S.C	SHRIRAM VIDYALAYA DHORJALGAON	PUNE BOARD	89.40	2019
H.S.C	SHRIRAM JUNIOR COLLEGE, DHORJALGAON	PUNE BOARD	95.17	2021
FY B Tech (Information Technology)	SANJIVANI COLLEGE OF ENGINEERING, KOPARGAON	PUNE UNIVERSITY	7.80	2022
SY B Tech (Information Technology)	SANJIVANI COLLEGE OF ENGINEERING, KOPARGAON	PUNE UNIVERSITY	8.10	2023

Technical Skills:

- Python
- Java
- C, C++
- Laravel
- React, Django
- Web: HTML, CSS, JavaScript, bootstrap.
- Database: SQL, Oracle, Mango DB.

Professional Skills:

- Communication skill
- Creativity and leadership quality
- Project management
- Leadership quality
- Ability to work in a team

Courses, Certifications and Achievements:

- Appreciation: “Letter of Appreciation” from Sanjivani Junior College, Kopargaon for “Dynamic Website for College”.
- Appreciation: “Letter of Appreciation” from Sanjivani Senior College, Kopargaon for “Campus Administrative Suite”.
- Selected in “Maharashtra State Hackathon”.
- Completed Certification on “IT Security: Defense against the digital dark arts” from Coursera.
- Completed Certification on “Basics of React” from Coursera.
- Completed Certification course on “programming in Java” from NPTEL.
- Completed Certification course on “Database Management System” from NPTEL.
- Completed Certifications on “Basics of Python” from Infosys Spring Board.

Projects:

- **Campus Administrative Suite:** Developed a comprehensive Education Management System that streamlined administrative processes within the educational institution. Designed and implemented a user-friendly Admission Module, capable of efficient student enrolment, document submission, and application tracking. It also includes automated functionality of generating Bonafide Certificate, Transfer Certificate, Exam receipt, and College/ School Leaving Certificate.
- **College Website Development:** Transformed the college website into a dynamic website using React.js. Enhanced online presence and communication, enabled easy content management for forms, and improved user interaction and data collection through feedback forms.
- **Academic Records Management System:** Led the development of a robust Student Management System at Sanjivani Senior College, Kopargaon, leveraging the Laravel PHP framework. This software streamlines student record management, admissions, transcripts, and academic data, ensuring efficient storage and retrieval of critical information.
- **Coaching Class Digital Presence and Student Management System:** I spearheaded the development of a Coaching Class Digital Presence and Student Management System using React.js and Node.js. As the sole developer, my responsibilities encompassed designing the user interface, implementing real-time notifications, and ensuring seamless class scheduling and student enrollment processes. This comprehensive system established a strong digital presence for the coaching class and significantly improved operational efficiency. Key technologies utilized in this project include React.js for the front end, Node.js for the back end, and MongoDB for database management.

Personal Profile:

Permanent Address – At/Po.: Dhorjalgaon, Tal.: Shevgaon, Dist.: Ahmednagar. Pin-414501.
Date of Birth - 27 OCT 2002
Language Known - English, Hindi, Marathi
Hobbies - Listening to music, Coding, Travelling.
Nationality - Indian

Declaration:

I hereby declare that all the above information furnished about me is true to the best of my knowledge and belief.

Place: Kopargaon
Date: 18/09/2023
